DIGITAL SERVICES / SOCIAL & WEB

# A clearer online presence.

## BE EASIER TO DISCOVER

### Social media optimisation

Make your YouTube channel, Instagram profile and other agreed social platforms clearer, more consistent and easier for customers to navigate.

- Profile and channel review: brand presentation, descriptions and contact links.
- YouTube optimisation: titles, descriptions, playlists and thumbnail recommendations.
- Instagram optimisation: bio, profile links, highlights and content themes.
- A prioritised action plan and agreed performance measures.

**To start:** Share your profile links, target audience, goals and the content you already have.

The quote defines the platforms, number of profiles or videos, implementation work and reporting. Content creation, posting, community management and advertising are scoped separately. Views, followers and monetisation cannot be guaranteed.

## MAKE EVERY VISIT CLEARER

### Website redesign

Refresh your existing website around the questions your customers need answered, with a clear route from browsing to an enquiry.

- Review your existing pages, navigation and enquiry journey.
- Agree a mobile-friendly layout and clearer service or product content.
- Plan catalogue downloads, contact links and required integrations.
- Check the agreed pages and prepare the website for launch.

**To start:** Share your current website, priority changes, brand assets and the pages you want to keep.

The quote sets the page count, platform, content responsibilities, revisions, integrations and migration work. Hosting, domain renewal and ongoing maintenance are priced separately unless included.

DIGITAL SERVICES / HOSTING

# Agree the support behind your website.

## A HOME FOR YOUR WEBSITE

### Website hosting

Discuss a hosting setup that fits your website, with clear responsibilities for getting it online and keeping it supported.

- Assess your website platform and hosting requirements.
- Agree the hosting plan, renewal cycle and migration scope.
- Confirm SSL, storage, backups and support arrangements in writing.
- Clarify domain, email and ongoing maintenance responsibilities.

**To start:** Tell us your domain, current hosting provider, website platform and whether you need migration.

Storage, traffic, backups, restoration, email, support hours and any uptime commitment depend on the quoted plan. Domain registration and maintenance are not automatically included.
